

Fair competition (GRI 206)

AURELIUS is committed to the principle of competition and condemns anti-competitive behaviour and antitrust violations. Competitors and other market participants are to be protected from unfair business practices.

The business partners of the AURELIUS Group are encouraged to comply with the applicable antitrust and competition laws in the countries in which they operate.

Violations of anti-competitive regulations can be reported to Compliance by employees as well as by third parties through the existing reporting channels. The company acts against any violation that comes to its attention.

In 2021, AURELIUS was not involved in any legal proceedings relating to anti-competitive behaviour nor were there any violations of regulations relating to marketing and communication.
